## Premisser

- Dagslys & vind, utsikt, uteområde.
- stall: Nord/sør - i ly for sterkeste vind
- Bolig: oversikt, mulighet + Relasjon til både
- Hall: Minst mulig dominerende i landskapet (øktentlig)
- bane: Øktentlig mot vei, muligheter
- Husbrom: Sentralt relasjon til både bane & stall
  
- Relasjonen til de ulike funksjonene.
- Opent mot vatnet.
- Tilkomst.
