

1. There is a body growing old.
2. A new body is needed

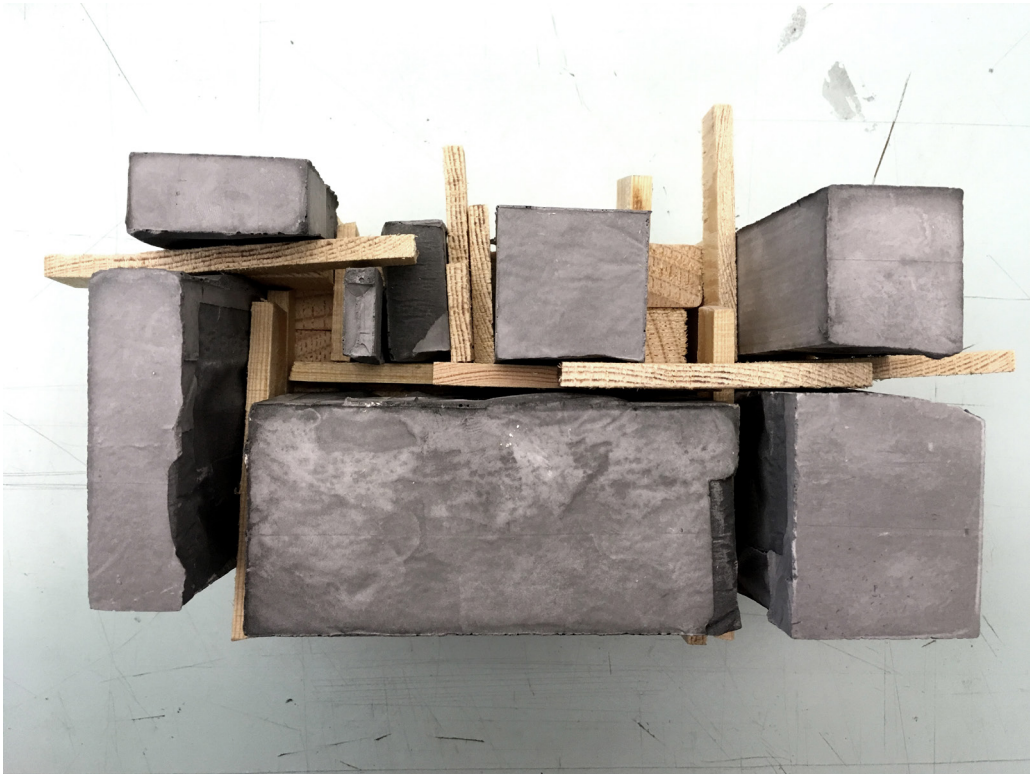

3. Dissect the Old body

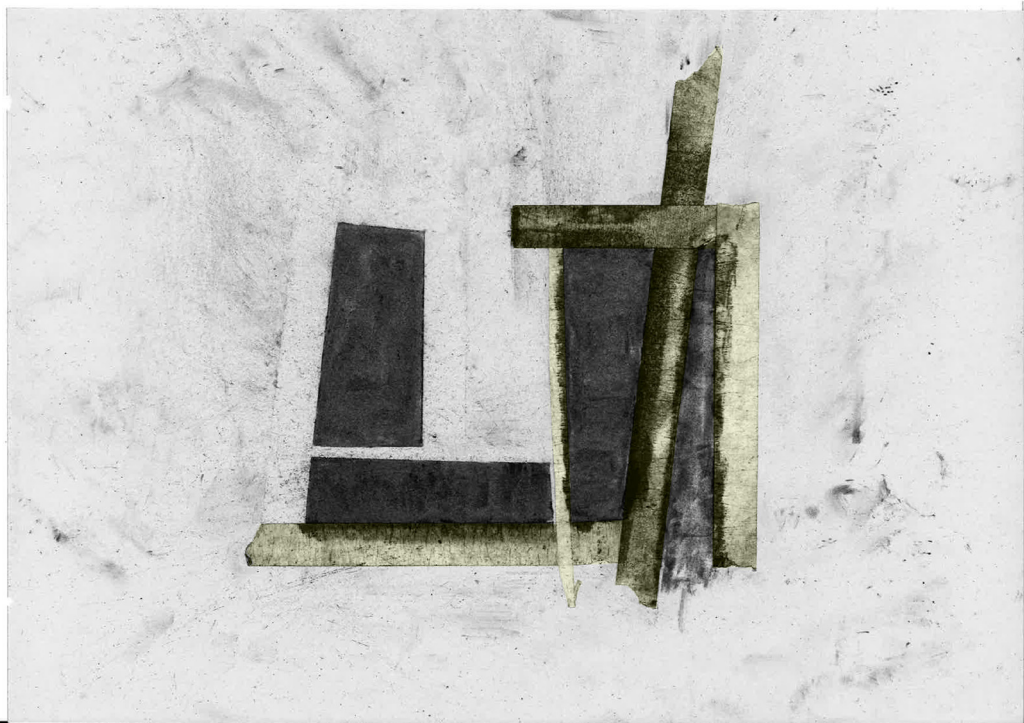

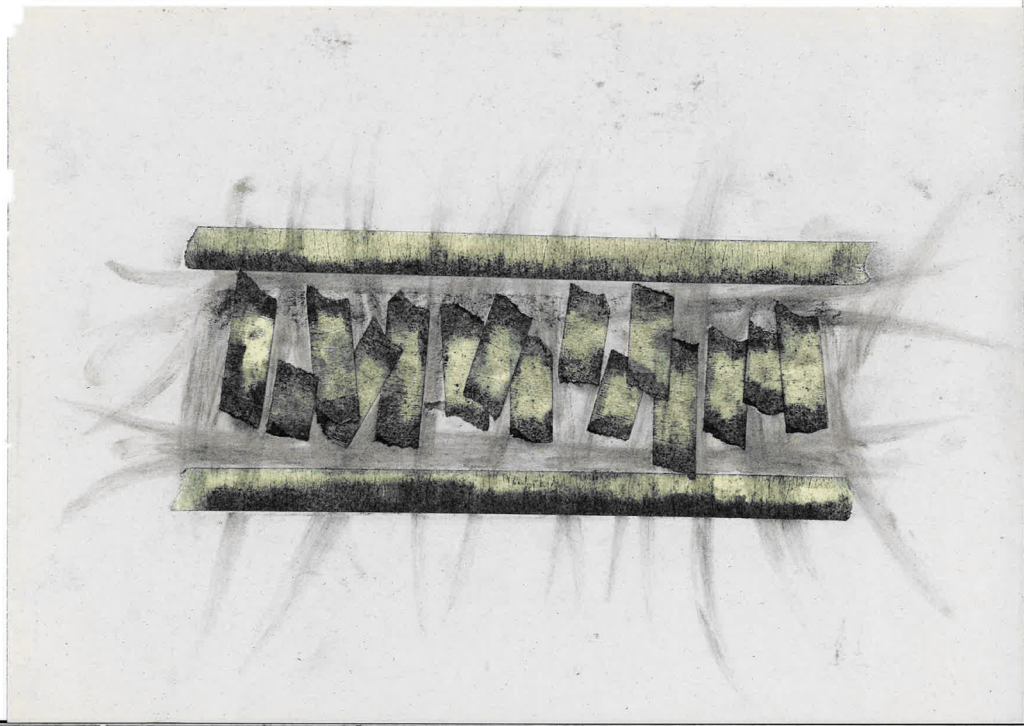

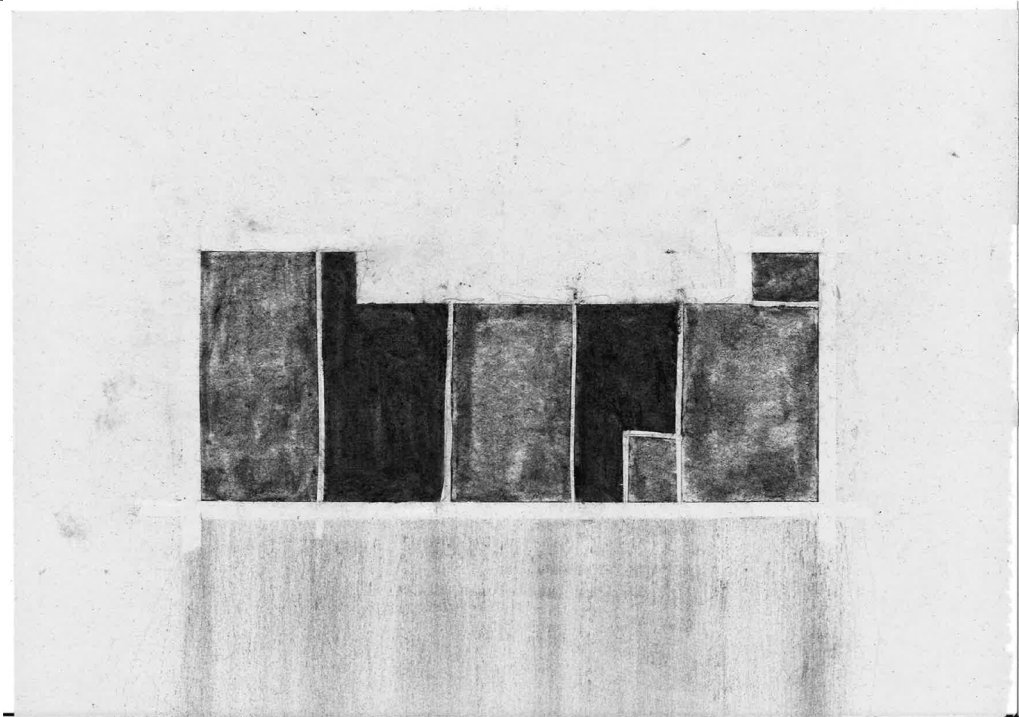

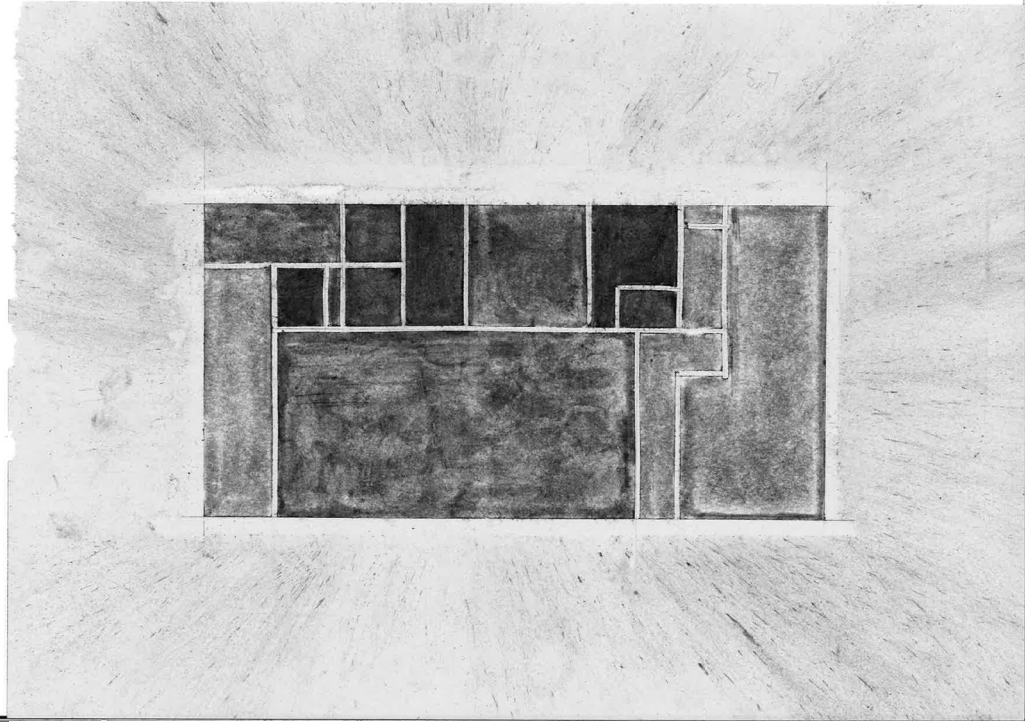

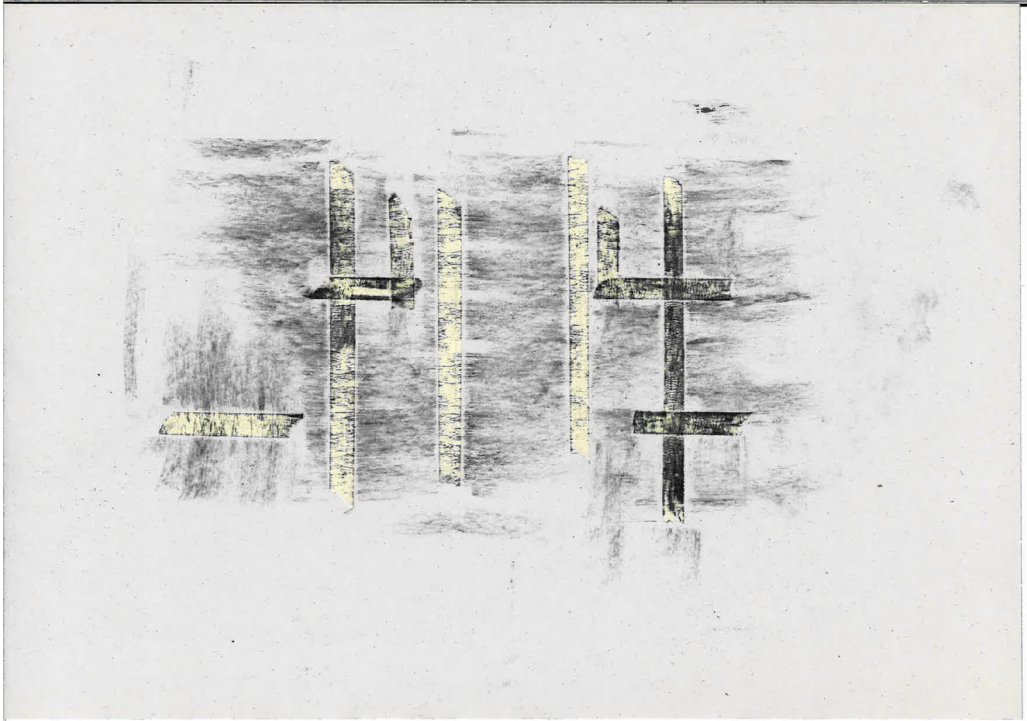

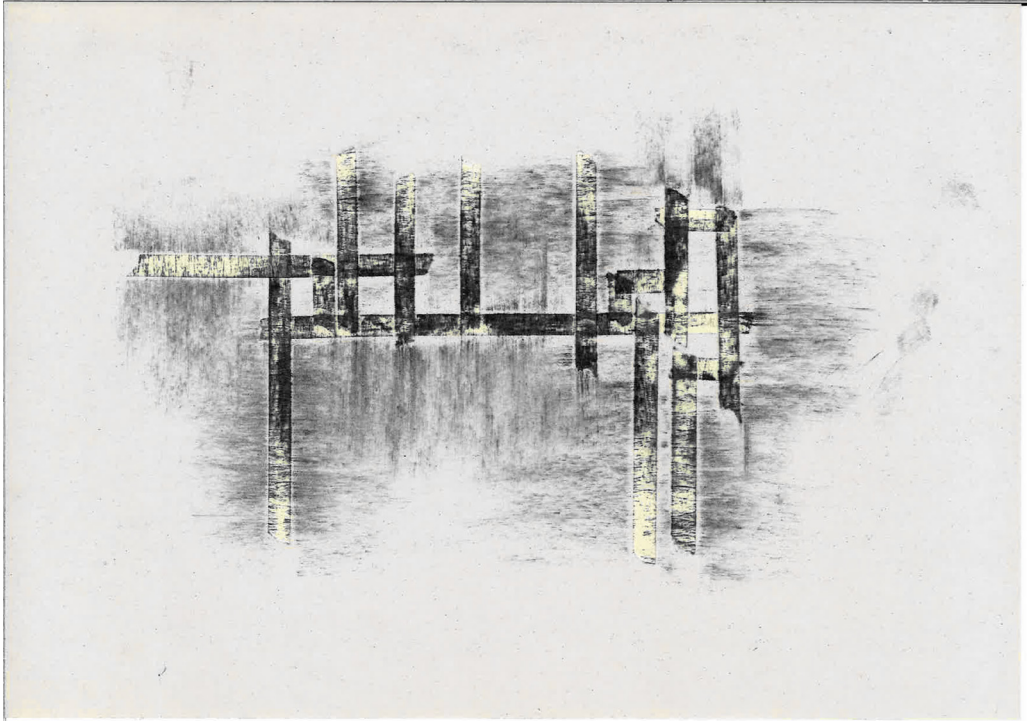

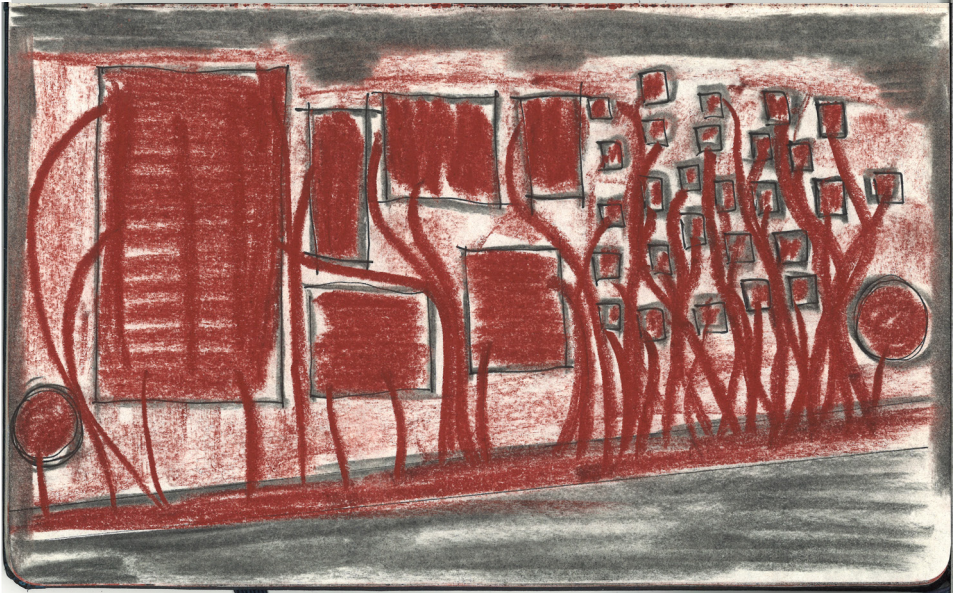

4. Ask why the old body is dissected
5. Find out the two answers

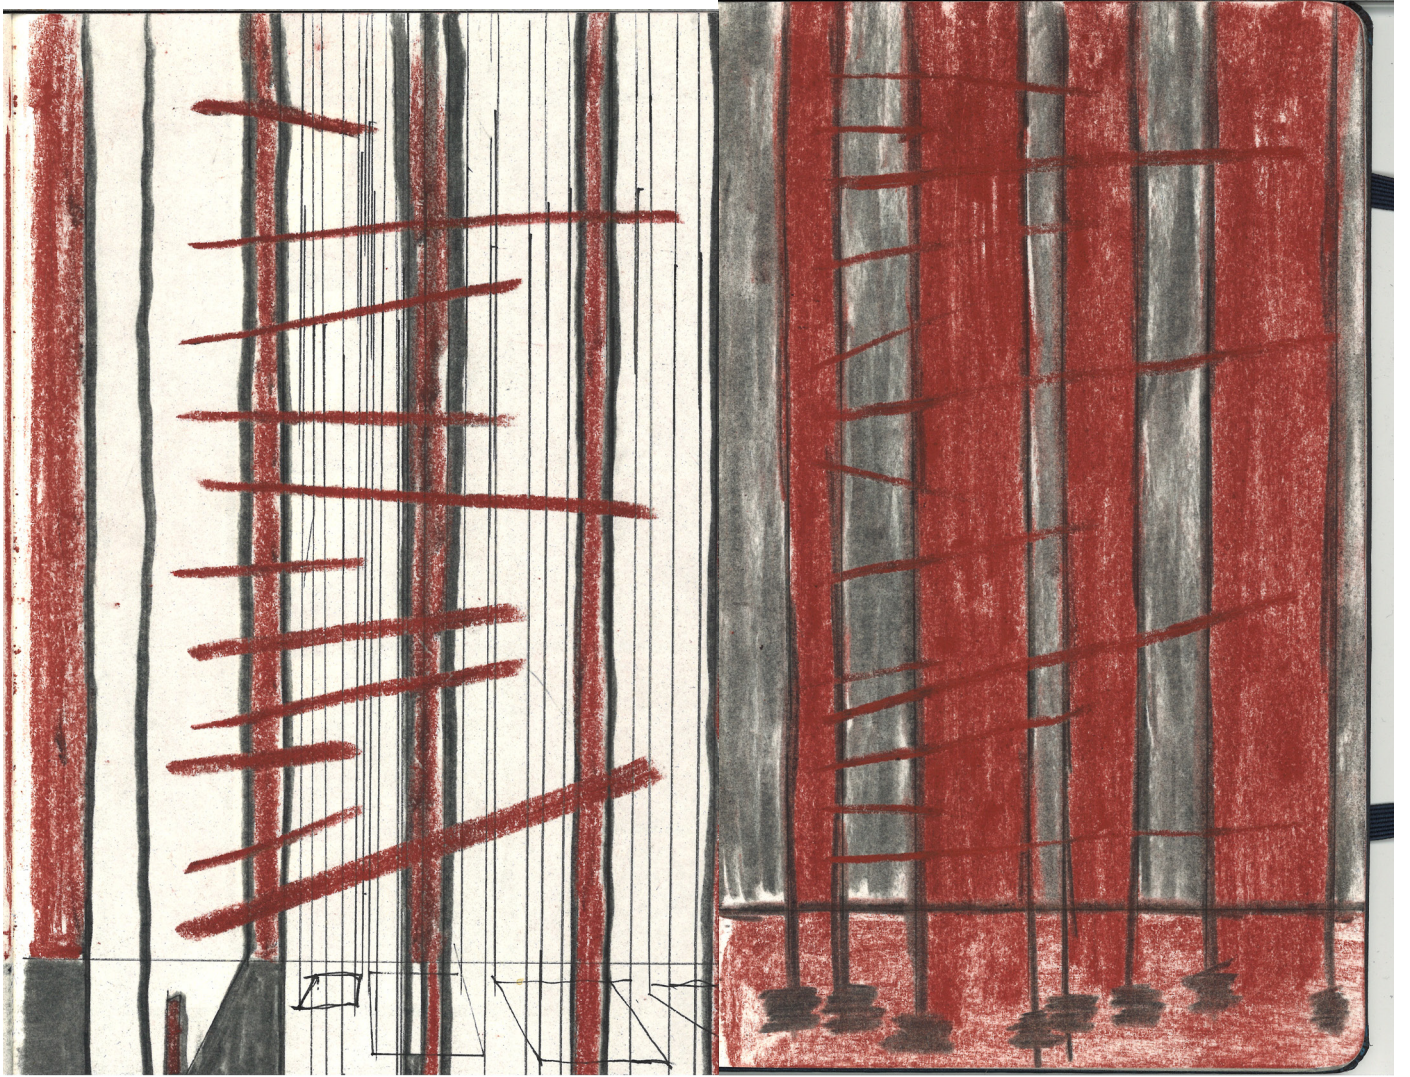

- 6.1 Cut or break the old body, to let the light get in
- 6.2 Cut or break the old body, to separate the rooms,
make them an 'individual'

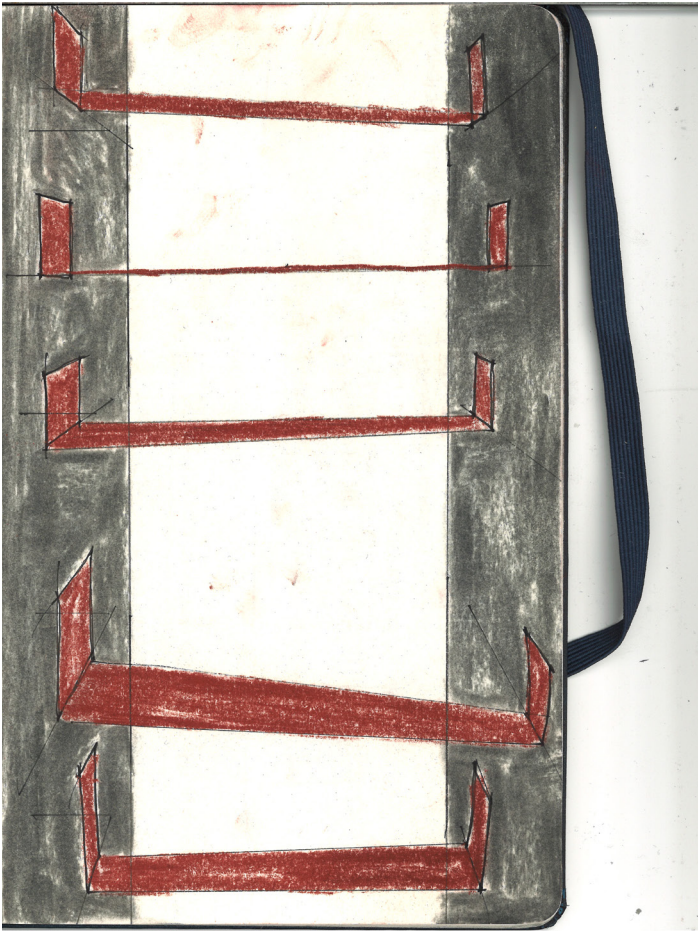

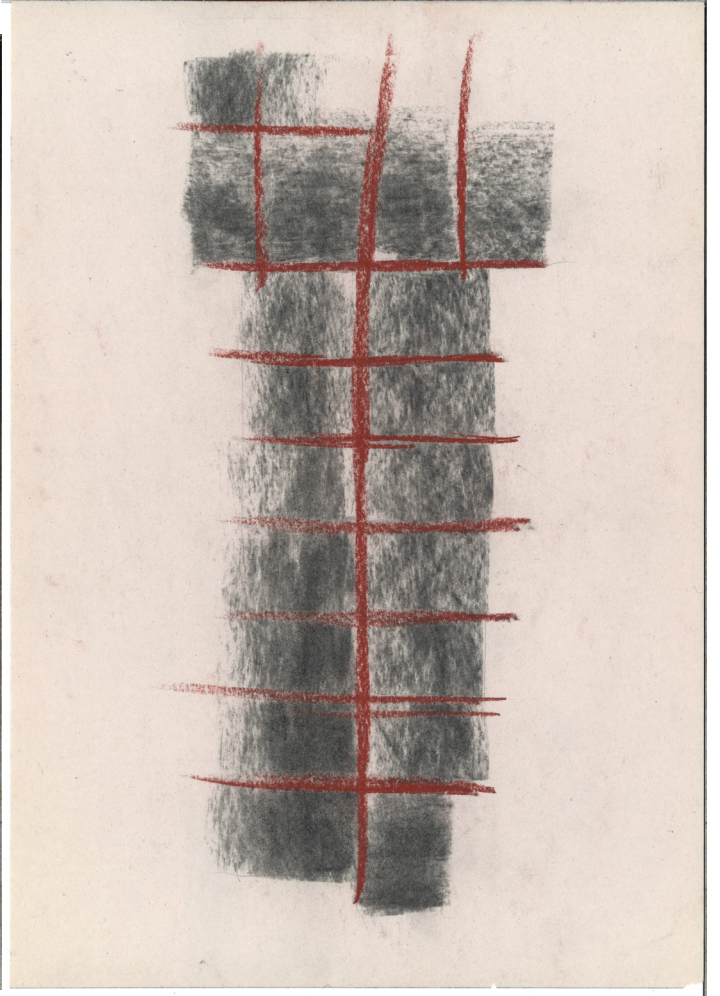

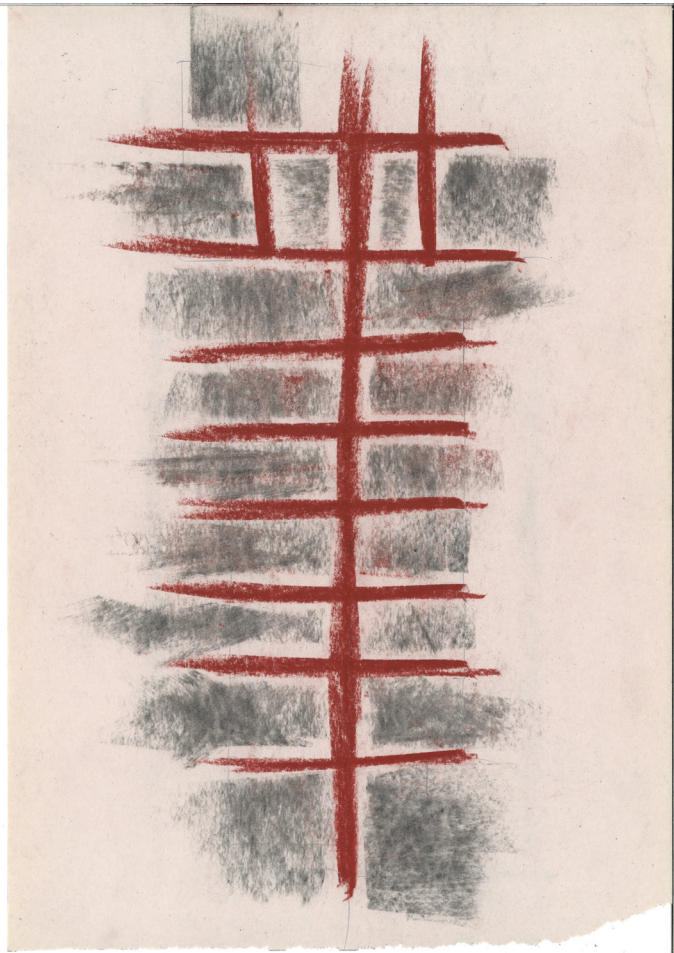

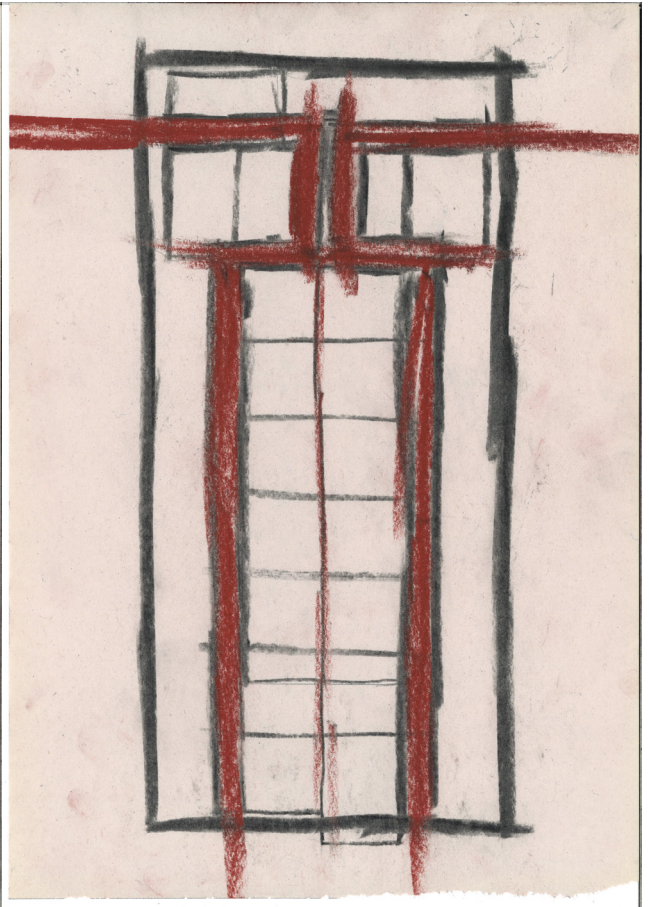

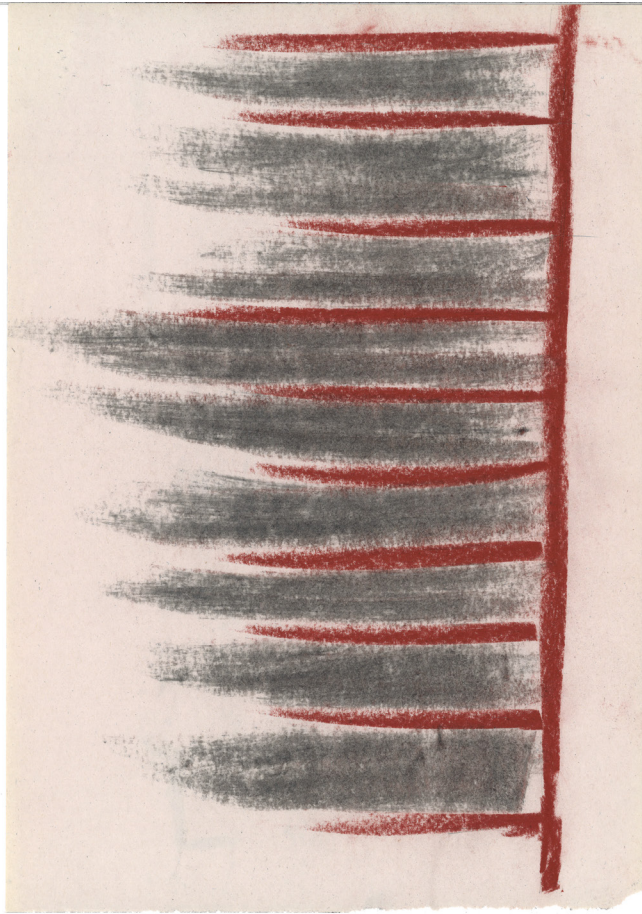

- 7.1 Light fill Gaps, we talk about thickness, thinness, gap
- 7.2 All the rooms are individual, we talk about autonomous of rooms and the connections between them.
