

SPORT HUB

Elgsletta is a hub for sport activites in the area, like rafting, biking, cricket and more. This could be done in collaborating with Bua, APK, Tøyen sportsklubb, Frisklivssentralen etc..

In the future..

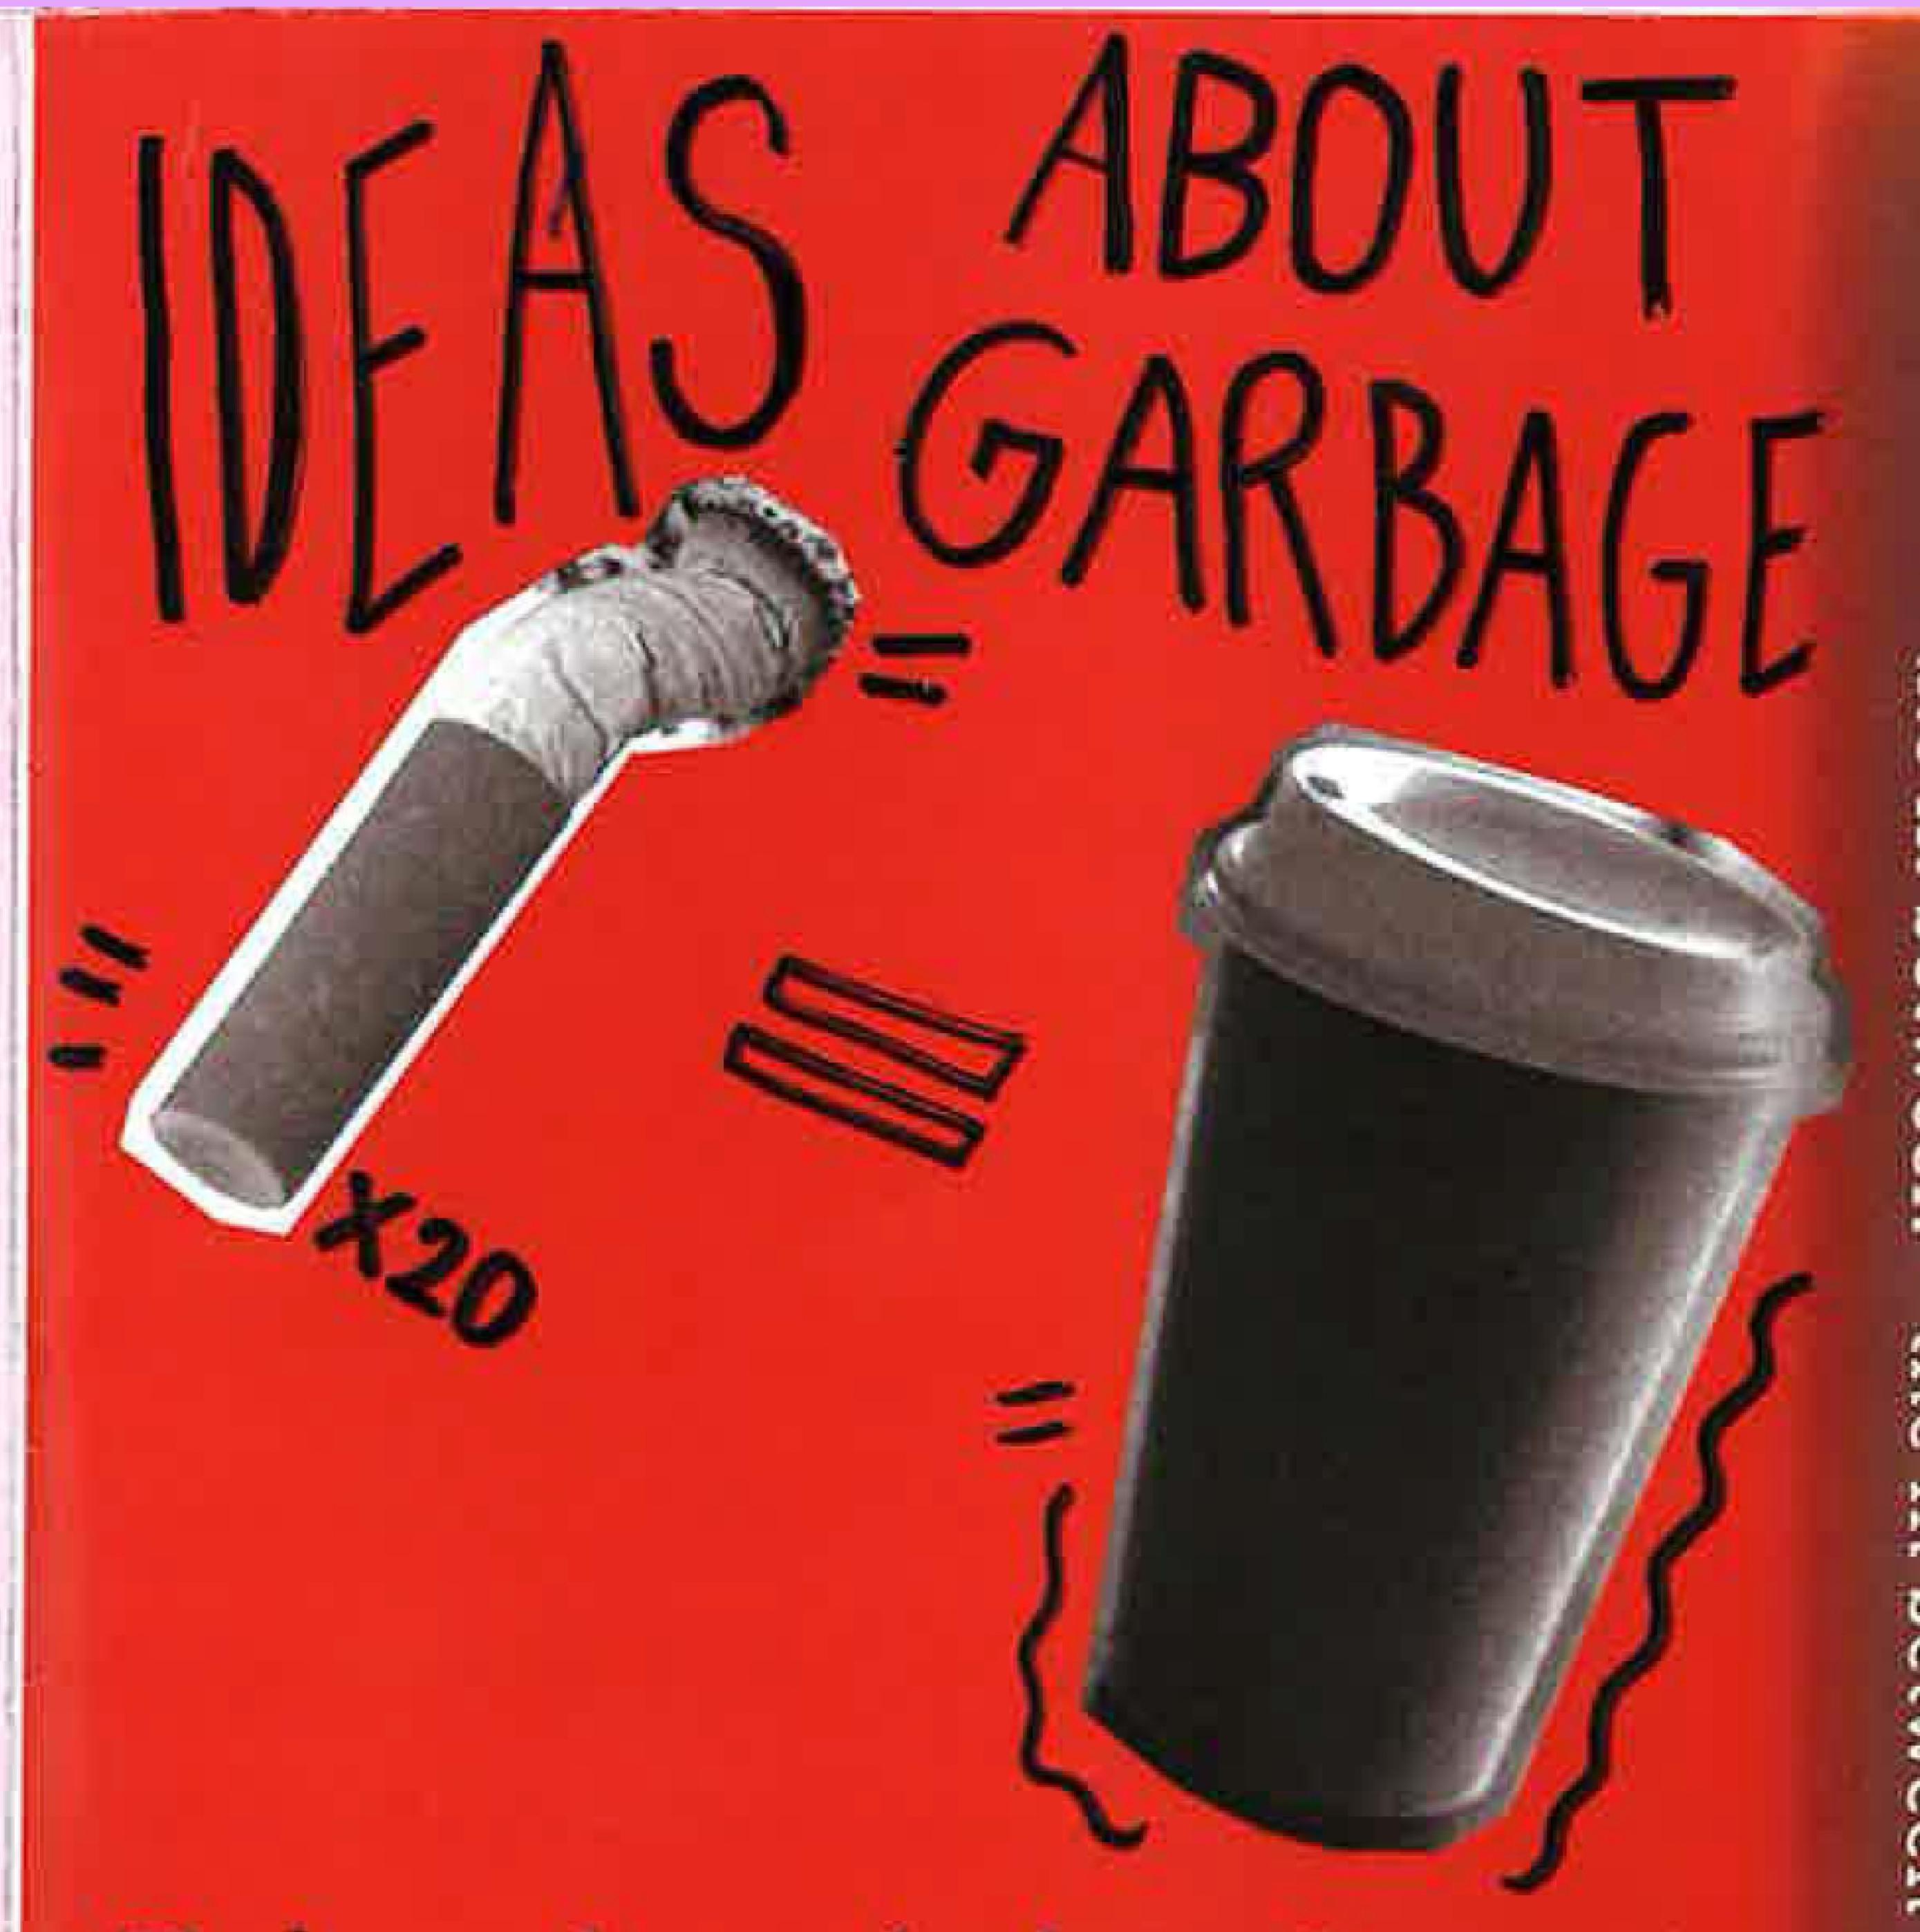

Elgsletta is the offical stadium for the

the focus is cultural significant sports for Grønland and Tøyen

Representatives from all

around the world join

To keep the park clean the pavilion now takes eigarett buds as a currency for collee. You can get a pair of gloves and pick up 20 buds g GC is a digital coin based on your from the park, and then get a free greeycling habits and park cleaning.

In the future...

Elgsletta is the first place in Oslo that only accepts Garbage Coin as a currency.

You can turn in garbage for GC!

The good ideas are IN DEUX EEN. In between the incremental and the radical. We hope these concepts create discussion and spawn new and better ideas love from Raddis.
