

ARCHIVE

yield

fatigue

deformation

collapse

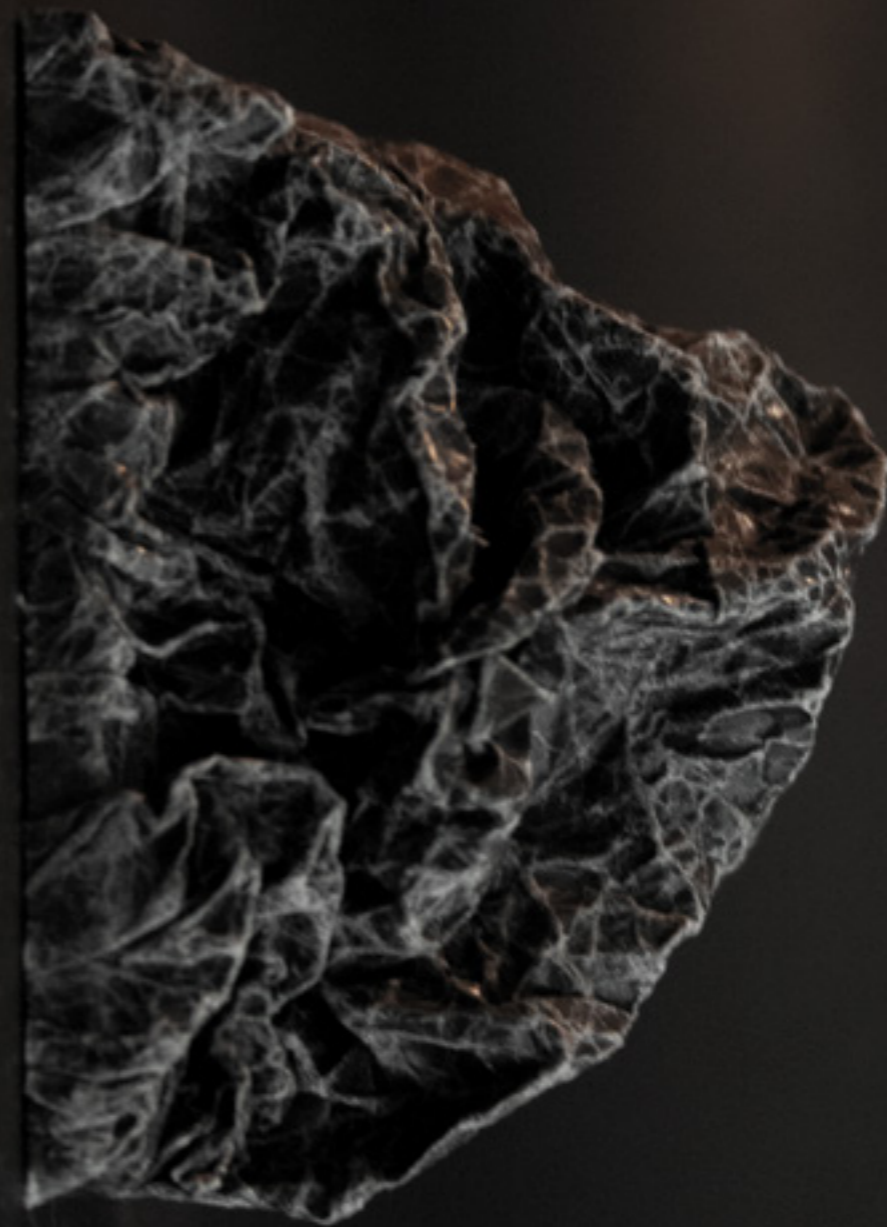

GROWTH + GROWTH

spaceless time
timeless space

TOP

soon the blood of Zeus flowed in
and filled my lungs with fire

AIR

weaving web-like-fingers
holding whirlwind-hands

ENCLOSED

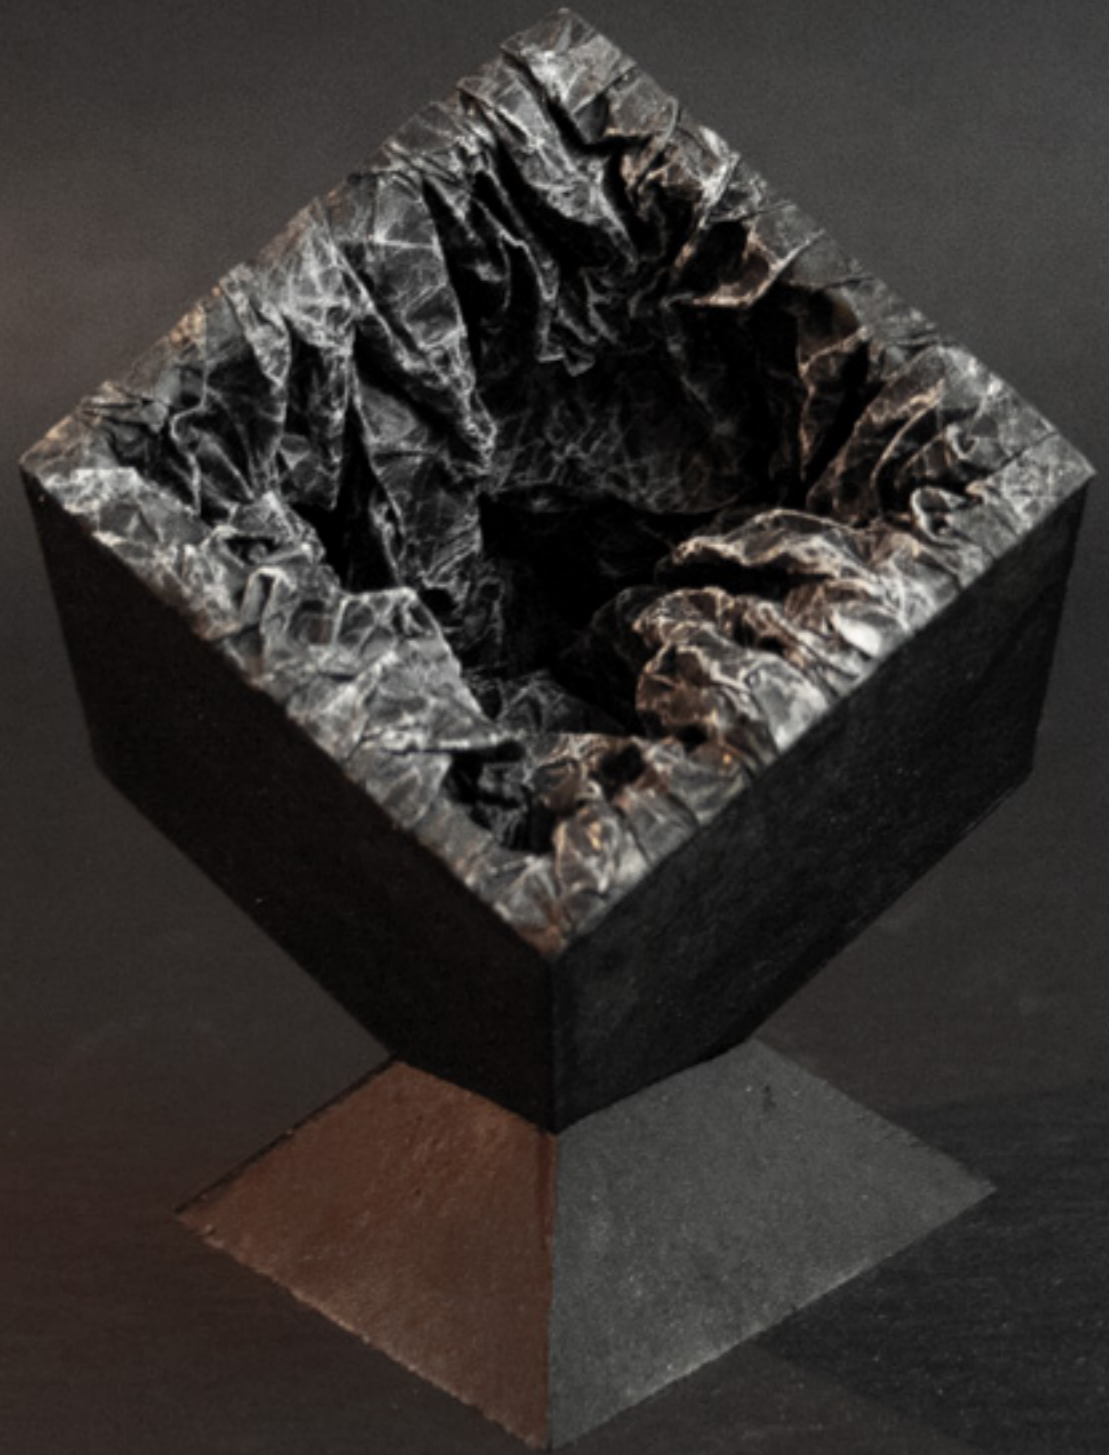

observance crystallizing
in bubbles of being
collapsing in flashes of light

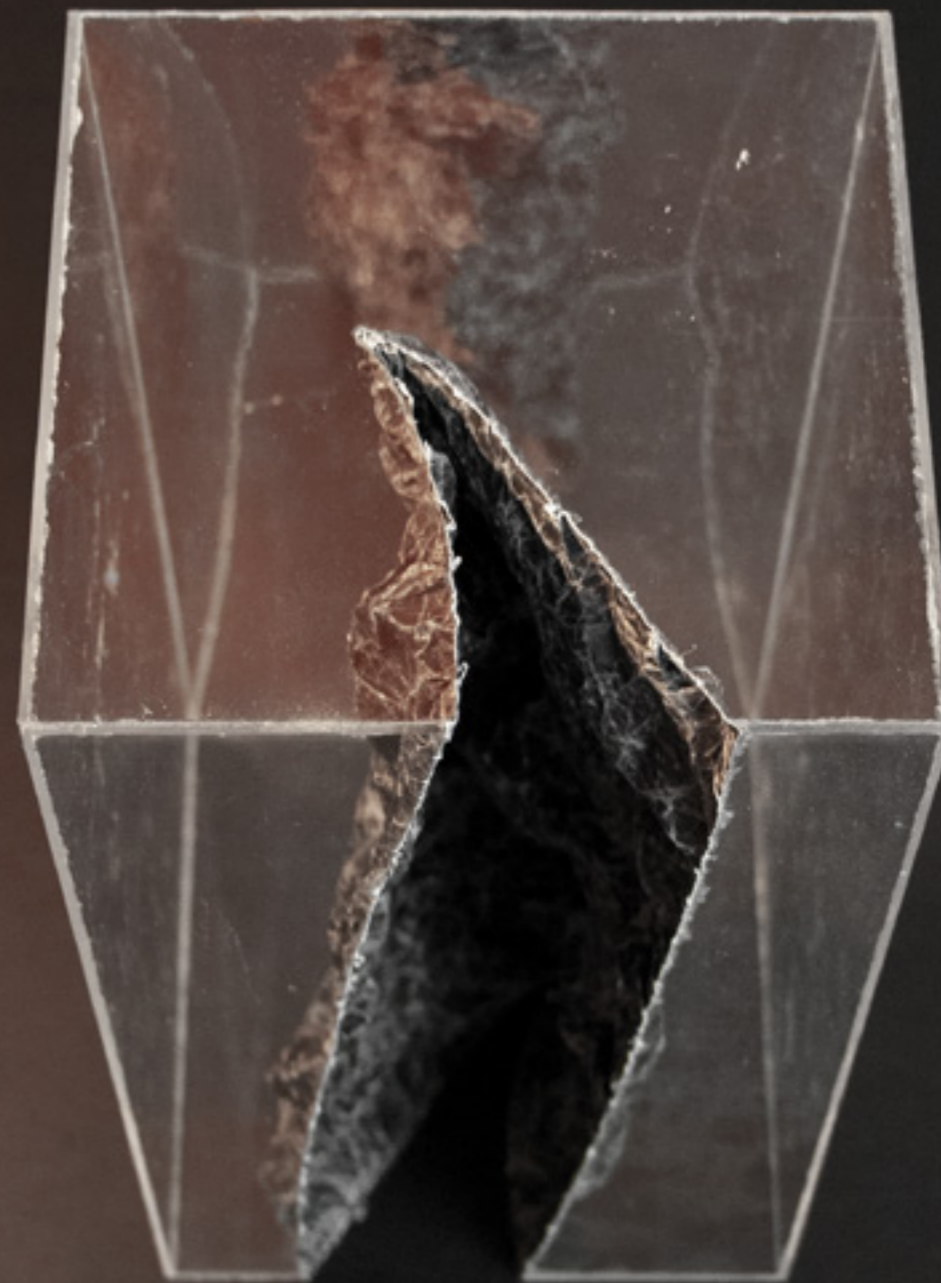

GEODE I

overridden and eroding

RAVINE

tangent to spiral
pane disguising pit

CONSUMPTION

trying to slow down motion
but only slowing time

GEODE II

a taste of longing
and regret

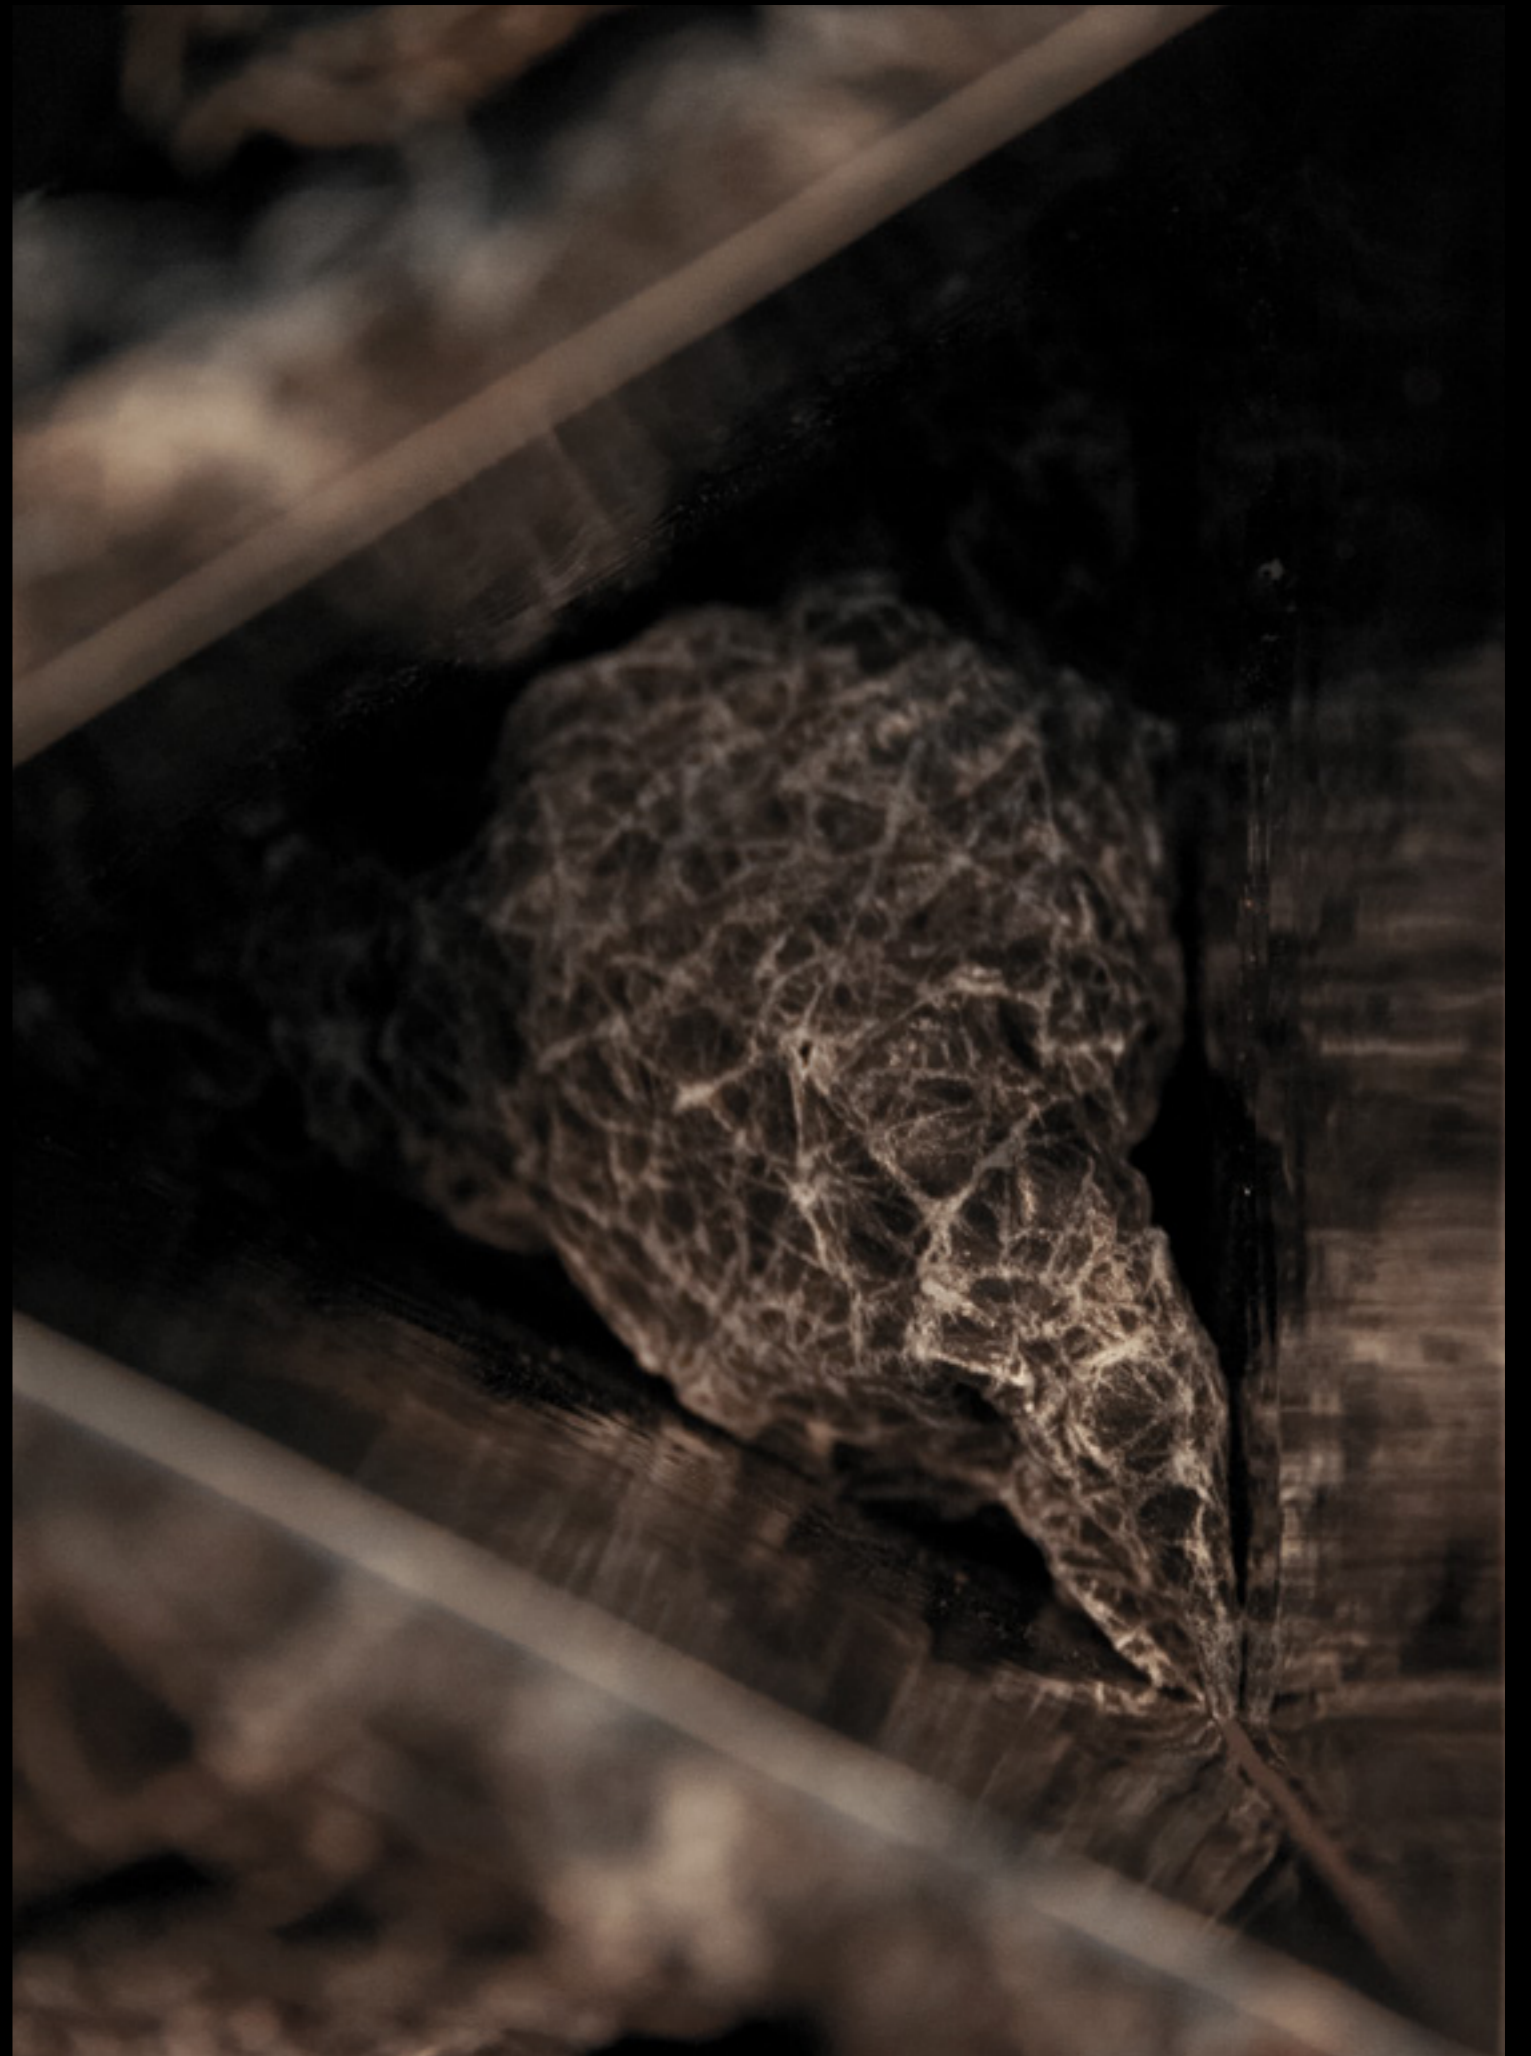

GEODE III

unable to locate center

EYE

peering up through maelstroms
into thunderclouds

MEMORY

nesting in a funeral pyre

SELF-PORTRAIT

to not be ground to dust
and dissipate, indifferent
